

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 2383 - SB 2368**

March 16, 2022

**SUMMARY OF BILL:** Specifies that a new member of a county legislative body (CLB) who completes orientation training is not required to complete continuing education training in the same year.

**FISCAL IMPACT:**

**Other Fiscal Impact – Due to multiple unknown variables, a precise timing and extent of a decrease to local expenditures cannot be reasonably determined.**

Assumptions:

- The County Technical Assistance Service (CTAS) currently provides such training to county officials free of charge.
  - Continuing education training options include: education sessions at conferences, regional meetings, CTAS training classes (in person), CTAS online training, and other professional development.
- It is assumed that most CLB members will take advantage of free training through CTAS.
- Specifying that new members of a CLB who completed orientation training are not required to complete continuing education training may result in a decrease to local expenditures for costs due to travel and reimbursement of expenses.
- Due to multiple unknown variables, such as which counties currently pay such reimbursements and to what extent, and how many new members each CLB will gain, any decrease to local expenditures cannot be reasonably determined.
